

Pull Line Rope

Cat No.
JL3-1000

1000 Metres

- 90kg Break Strength
- Abrasion Resistant
- Stronger than PE Mono

Our Pull Line Rope is a super strong yet easy to use pull cord.

The 3mm Polypropylene braid is highly abrasion resistant and much stronger than comparable PE mono products. The braided construction reduces stretch yet is easily spliced. Key features independently tested by SGS Laboratories.
