ECOWIRED-KIT

VISTA Essential Wired Alarm Kit

Essential Components Kit Includes:

- Honeywell Vista 12 Control Panel
- Alpha Numeric Keypad
- PIR Detectors (2 – up to 12 meters)
- Internal Screamer
- External Siren and Strobe
- Metal Enclosure with Power Supply & Battery Backup
- Up to 10 Hours Battery Life

Benefits of this CCTV IP Kit:

If you only need two PIR Detectors and don't have the need for a Remote then this System is for you.

Offering many features found in larger alarm systems, this kit is more affordable for smaller applications.
